Dear Mr. Weisberg:

There has been referred to me, as a member of the Character Committee of the Court of Appeals of Maryland, charged with the duty of investigating Applications for Admission to the Bar of Maryland, the Questionnaire of Jennifer Kathryn Cassel.

In this Questionnaire, it is stated that the applicant is at present or was formerly employed by you.

Will you kindly write me at the earliest practicable moment stating whether the applicant has been employed by you as represented, and if so, when and for how long, in what capacities, and what your experience has been as to her conduct and general moral character and standards.

Very truly yours,

Roland R. Bounds
